

Smart WiFi RGB Bulb

The Smart WI-FI Voice Control Flat Base Bulb is much more than a usual single-light bulb. This highly-advanced lighting solution grants you a better home control by allowing you to alter the lighting color, adjust the illumination level, and also share control settings with your friends and family members. The plus point is that all of this can be done with just a click or voice control option, using your smart phone! Order the Smart WI-FI Voice Control Flat Bottom Bulb now and control room lighting with super powerful, yet easy features.

Technical Information

Power: 10W

Product Weight (kg): 0.13

Beam Angle: 200
