

NEW KD2

Detectors/Voltage detector

Basic Features

- Beeping and LED lighting upon detection
- Switchable to measure cord or bare wire

Specifications

KD2	
Measurement	Voltage Detection
Voltage range	AC80 to 600V, 50/60Hz
Compatible conductor	Cord and bare wire
Withstand voltage	AC2000V for 1 minute
Indicator	Beep sound and LED Beep: Over 50dB from 50cm away LED: 8000Lx
Battery	Alkaline button cell LR44 (1.5V) X 2
Size / Mass	H133XW19XD19.5mm/Approx. 17g
Operating temperature	-10°C ~ 45°C
